STANDING RULES:

1. NMUPA offers the marching unit student an opportunity to obtain trip credits through fundraising efforts to help defer the cost of Marching Unit trips. (i.e. Disney, Broadway Shows).
2. Student trip credits earned may vary with each designated fundraiser.
3. A record shall be maintained of all trip credits earned and used. This information will be made available upon request.
4. Student Trip Credits may only be used to offset the student unit member's trip costs. (Trip credits may not be used by Parent/Guardian NMUPA members).
5. Trip credits may be transferred to eligible siblings. Eligible siblings include current members of the marching unit and immediately incoming siblings that are part of the middle school band program.
6. If one major trip (eg Disney) or two minor trips (eg Broadway Shows) are canceled during a student's time with the band and they do not have an eligible sibling to transfer to, they may transfer their remaining credits to another band member. This transfer cannot be retransferred to a third bandmember.
7. Any student trip credits that are not transferred prior to a student's graduation will be automatically transferred to the NMUPA General Fund upon the student's graduation.
8. Student trip credits will be annually audited by a committee appointed by the President of NMUPA. This audit will take place concurrent with the NMUPA financial books.
