

REFERENCE TO BYLAWS ARTICLE XII: SCHOLARSHIP

SECTION I : Scholarship Program money raised throughout the year will be designated solely for the use of seniors graduating and any unused funds will be carried over to the following year.

STANDING RULES:

1. In order to determine how scholarship program awards will be disbursed, the Directors shall provide to the scholarship committee an approximate report of current year seniors prior to the October Executive Board meeting.
2. Eligibility to participate in the scholarship program is contingent upon the student planning to attend any post-secondary institution. Effective with the class of 2017, this will also include plans to attend a trade school or enter the military service.
3. Eligibility of a student to participate in the scholarship program for all Marching Unit members requires a parent/guardian to become a full member of NMUPA by November 30th of each year the student is a Marching Unit member.
4. Scholarship consideration will be given to students who complete a scholarship essay. The topic will be decided upon by the scholarship committee and may vary from year to year.
5. In order to ensure fairness to all eligible students, the scholarship committee reserves the right to review the records of eligible candidates with respect to any disciplinary action. This includes, but is not limited to, any suspensions resulting from infractions incurred during participation in a school-sanctioned function.
6. Eligibility of a student is dependent upon a minimum of four (4) hours of mandatory service per year for each year for each student member of the Marching Unit. An additional four (4) hours of mandatory service per year is required from the parent/guardian per Marching Unit (student) member, in order for their Marching Unit (student) member to qualify for a scholarship award. Legitimate service hours are determined by NMUPA, not the directors.

For new members beginning with the 2017-2018 school year, students and parent/guardians requirement increases to six (6) hours per year.

Students or parents may complete additional hours which can be credited to meet the requirements of other family members. Parents can transfer a maximum of two (2) hours to each child. Students can transfer a maximum of two (2) hours each to their parents or siblings. Transferred hours cannot be re-transferred.

7. Mandatory service hours are accrued as follows:
- a. One hour of mandatory service = One hour of accrued time.
 - b. A donation of food/beverage per event = 15 minutes. (This translates to 15 minutes for all donations per event, not 15 minutes per item donated.)
