Dear Musicians, Parents, and Attendees,

We are thrilled to welcome you to Nottingham High School's first-ever indoor percussion competition! This is a historic occasion for our high school, our musicians, and our music program.

Over the years, our percussion unit has participated in competitions hosted at other high schools. This year, we are incredibly proud to host this competition where our talented percussion students can showcase their talents.

The competition will feature performances by eleven schools, providing a platform for young musicians to showcase their skills and passion for percussion. This event also offers a space for all of us to come together and support our students and the arts.

We extend our sincere gratitude to our Nottingham faculty advisors, Jenn Klek and Jarret Susswein, the Nottingham High School Marching Unit/Indoor Percussion Parent Association and its president, Tammy J. Moore-Addis, and to our dedicated student-musicians for making this day possible.

We wish every percussion unit the very best in the competition and thank you for joining us today as we embark on a new chapter of percussion competition at Nottingham High School.

Sincerely.

Scott R. Rocco, Ed.D

Superintendent

Special thanks to all our parent and student volunteers and supporters throughout the season, but especially today.

Good Afternoon,

On behalf of the entire Nottingham High School family, I am pleased and honored to welcome you to our first USBands indoor percussion competition!

First, to the directors, I'd like to express my gratitude for accepting the invitation and taking time out of your packed schedule to attend our show. Secondly, congratulations to all the students who are performing today. I commend you for all of your hard work, dedication and talent. Thirdly, a big shout out to all the parents who have come here today and have spent so much time shuffling the kids to and from practices, competitions, etc.

I'd like to take this opportunity to thank my staff; Demi Miller has gone above and beyond as a percussion director here at Nottingham, Robin Clifford for her work with choreography and Color Guard Direction, Jarret Susswein for writing our drill and assisting with much of the logistics with the competition, Kathryn Dunn for her assistance with our pit percussion, and lastly, to Matt DiBiase for announcing today.

I'd also like to thank our fantastic parent association, NMUPA, for all its help throughout this season and beyond. A special thank you to our President, Tammy Addis, who has helped us every step of the way this year. I'd also like to thank our entire executive board, Vice President Charise Nieves, Recording Secretary Laura Steever, Corresponding Secretary Cathi McGuire and Treasurer Austin McGuire. I'd also like to extend a shout out to our Star Crew and Brian Addis for getting us (and our stuff) exactly where we need to be. Lastly, to all of my parents for all you do! It doesn't go unnoticed by the students or the staff.

I'd also like to thank our principal, Mr. Frank Ragazzo, and our Athletic Director, Ms. Jessie Mull for their help and cooperation to make the competition a success. And finally to Chloe Spencer and the entire USBands staff. Thank you again for all you do.

With warm regards,

Mrs. Jennifer Klek

# TO THE NOTTINGHAM \$\frac{2}{3}\$ INDOOR PERCUSSION UNIT 2024

Words cannot describe how truly proud of each of you I am for all that you have accomplished so far this season.

Best of luck on your first performance of the season and congratulations on being able to host your very first home competition. Nothing that we do as a unit is possible without the hard work and dedication that you put forward every day.

To my seniors: Congratulations! This is the beginning of the end of your high school marching unit career and I am so glad to have been a part of your performance journey. Good luck on this show, this season, and everything in between.

Great Job Northstars! Keep shining bright!

I am a health coach specializing in habit and lifestyle transformation. I struggled with my weight for 40 years and I made these changes you see over 2 years ago.
